

Tell Tales

Volume 10 Issue 3

December 2010

The Holiday season will soon be here and we would like to take the opportunity to wish all our customers Merry Christmas and Happy New Year.

News

- Holiday Hours of Operation.....
- Selden Their new Self Tailing Winch and Dinghy Products
- We are now an authorized dealer for Optiparts....

Hours of Operation

Monday through Friday
 9:00 to 5:00

Saturdays

By appointment only

Traditionally the loft closes down for the week between Christmas and New Years.

This year we will be closed from Thursday December 23 until Monday January 3. We will be back to work on Tuesday January 4 at 9:00 am.

If you are in need of assistance during our seasonal shut down send us an email and we will do our best to get back to you.

SELDEN Their new Self Tailing Sheet Winch, Overall Winner DAME Award 2010 at METS.

Leitch and McBride has been a Selden dealer for years. Mostly we have worked with the Furlex Genoa furling systems but Selden has been hard at work and now offer a complete line of hardware and dinghy masts, booms, and spin poles. We now have access to spars and parts for a variety of classes including; 420, Flying Junior, 470, 505, Fireball, and Enterprise.

For our keel boat customers Selden has just introduced to the market a new self tailing sheet winch that allows you to ease the sheet by reversing the winch drum using their purpose made winch handle. Push a built in knob in the winch handle and the winch is in reverse drive. Seems complicated but check out the link to the right. Much easier to see than explain. More information can be found at www.seldenmast.com Supplies will be limited for a while but feel free to contact us for details and pricing on any Selden product.

[See the winch in action at METS](#)
